

Features for ASC100:

- **Up to ten 15 amp switches**
Switch package is capable of controlling valve and lighting functions.
- **LED Backing**
Safely operate control functions in day or night conditions.
- **Customizable nomenclature**
- **Circuit breaker protection**
Protects each function separately from over-current conditions with a resettable circuit breaker.
- **Numerous Switch options**
Choose from momentary, maintained, single-pole single-throw, double-pole, single throw, single-pole double-throw, and double-pole double-throw switch options.
- **Largest selection of valve harnesses**
Save time and money with pre-engineered harnesses for valve and component wiring.

ASC100 Electrical Specifications

Operating temperature range.....-40° to 185° F
 Operating voltage.....10.0 – 18.0 VDC
 Maximum load rating.....80 amps
 Maximum output current.....15 amps
 Maximum number of outputs.....20
 Maximum number of switches.....10
 Overload protection.....Manual reset circuit breaker 5 or 15 amp
 Backlighting.....LED
 Switch color.....Amber or Green
 Connector type.....CPC style bulkhead
 Switch backlighting.....Yes (except DPDT)

Features for DK-8000:

- **Color coded wiring**
- **LED Backing**
Safely operate control functions in day or night conditions.
- **Audible and visual warning indicators**
Provide quick feedback of system operations and conditions.
- **Customizable nomenclature**
- **Numerous Switch options**
Choose from momentary, maintained, single-pole single-throw, double-pole, single throw, single-pole double-throw, and double-pole double-throw switch options.
- **Individually Fused**
Protects each function separately from over-current conditions.

DK-8000 Electrical Specifications

Operating temperature range.....-40° to 185° F
 Operating voltage.....10.0 – 18.0 VDC
 Maximum load rating.....80 amps
 Maximum output current.....15 amps
 Maximum number of outputs.....16
 Maximum number of switches.....8
 Overload protection.....Fuse (Auto reset optional) 5 or 15 amp
 Audible buzzer.....Optional
 Number of warning lights.....(4)
 Backlighting.....LED
 Switch color.....Orange
 Switch backlighting.....Yes (except DPDT)
